

HOW TO BOOK YOUR KUCHING CAVING ADVENTURE

As we at Kuching Caving get busier we are increasingly finding that those trying to make last minute bookings are being disappointed. We have limited capacity (and always will) and the later you leave your booking the greater the chance that we will be fully booked. We suggest that, if you are planning a short trip to Kuching, you follow the following procedure if you really want to go caving.

- 1 If you need to ask some questions before committing that's fine! Caving is not for everyone so please feel free to ask.
- 2 Check your travel documents are in order and that any visa requirements have been met.
- 3 As soon as you know that you are coming and have checked flight availability email us (kuchingcaving@gmail.com) and tell us the dates when you are going to be in Kuching, the number in your party, their ages, any fitness issues that might affect their ability to go caving and which package (premium or standard) you would like.
- 4 We will get back to you (normally within 6 hours) to tell you on which date we can take you caving. We will reserve slots for you for 48 hours if you have contacted us 2 weeks before arrival and 24 hours if you have contacted us closer than 2 weeks before arrival.
- 5 Book the flight and email us to confirm. We will send you joining instructions which should answer most questions.
- 6 We will always try to fit in last minute bookings so don't be afraid to ask! But....
