### **ACCOMMODATION**

THE FARMHOUSE has recently been refurbished to a high standard by its' owner, a retired public servant, and is a great place to relax after a day caving. Dinner is in Bidayuh style (alcoholic drinks excluded). Breakfast is served at about 07:30 and we leave for our next destination at 08:30.

THE BARUKH is a recently built roundhouse with longhouse style sleeping accommodation in the ancient hill village of Rais Siburan. Fabulous views across the Sarawak river delta to Kuching and pretty jungle trails make this a unique setting. Eat Kampung style and enjoy the sounds of the jungle at night.

THE LONGHOUSE HOTEL (NOT the one in Kuching) is a privately owned hotel about 1.5 hours from the city with longhouse style accommodation and a small bar and restaurant. Fishing is available in the fishponds on the property. All accommodation is full board.
